

To: U.S. Electrical Distributors Partners

Wheatland will be implementing a price increase on all products effective April 7th, 2022. This change in the list prices is necessary due to the ongoing escalation in energy, transportation, and zinc coupled with the recent increase in steel. The new list pricing EF040722 will supersede list pricing EF111521. These new list prices will represent a **5%** increase on all items. All orders entered after April 6th, 2022 for immediate shipment will be priced from the new price sheet (EF040722).

Wheatland reserves the right to limit the size of orders to historical purchase levels. Your Wheatland representative will be forwarding updated list price sheets and net sheets very soon.

Thank you for your continued support of Wheatland.
