Subject: PVC Fittings and Box Price Increase Effective June 6, 2022

CANTEX will be implementing a PVC fittings and box price increase effective June 6, 2022. This increase reflects the continuing escalation of raw materials, freight and labor that we are experiencing. The approximate increases are listed below and some products may vary.

Fabricated sweeps, elbows, and accessories	+10%
Molded conduit fittings and accessories	+6%
PVC cement and primer	+25%
ENT tubing, fittings, and accessories	+6%
Enviro-Flex flexible conduit and fittings	+6%
EZ BOX non-metallic switch, outlet, and ceiling boxes	+6 - 10%

Revised price lists reflecting these changes will be sent to you shortly. All orders at current prices must be placed by the close of business on June 3, 2022. We will not be accepting any orders in excess of a customer's normal purchase history at this time.

We appreciate your business and look forward to working with you in the future on all of your PVC electrical product needs. Should you have any questions, please do not hesitate to contact your local CANTEX representative or CANTEX directly.
